

August 23–28, 2020 | Pardubice, Czech Republic | University of Pardubice

The courtesy of gifting the glass sample in the picture by prof. Tanabe

Dear Colleagues,

It is with pleasure that we invite to you for the 9th International Conference on Optical, Optoelectronic and Photonic Materials and Applications (ICOOPMA). ICOOPMA is an international conference series on optical, optoelectronic and photonic materials for a wide range of applications from telecommunications to photovoltaics, and optical, optoelectronic and electro-optic properties of all classes of materials and material systems.

The conference will be held on August 23–28, 2020, in the historical buildings of the University of Pardubice, Czech Republic, situated in the vicinity of hotels and student's dormitories and within a walking distance from the city center.

The city of Pardubice is located about 100 km east of Prague, the capital of Czech Republic and Kutná Hora. Both places are listed on UNESCO heritage.

Complete papers presented at the conference can be submitted to a special issue of the Journal of Materials Science: Materials in Electronics (Springer), which has an impact factor of 2.32.

Prof. Tomáš Wágner
Chairman of the ICOOPMA 2020 conference

August 23–28, 2020 | Pardubice, Czech Republic | University of Pardubice

CONFERENCE TOPICS

- Bioimaging
- Biophotonics
- Electro-optic effects
- Energy conversion in rare earth doped materials
- Energy transfer in materials
- Femtosecond and terahertz spectroscopy
- Luminescent materials and phosphors
- Nanophotonics
- Nanostructures including photonic crystals
- Nanothermometry
- Non-linear effects
- Optical properties of all classes of materials
- Plasmonics
- Photoconductivity
- Photoinduced effects
- Photovoltaic Materials
- Photonic band gap materials
- Photonic materials and devices
- Quantum dots
- Quantum wires
- Semiconductors for optoelectronics
- Silicon photonics
- Waveguides

IMPORTANT DATES AND DEADLINES

On-line preregistration opened	January 1, 2019
Call for papers	September 1, 2019
On-line registration opened	January 1, 2020
Abstracts submission deadline	January 31, 2020
Early-bird registration deadline	April 30, 2020
Preliminary programme	May 15, 2020
Final programme	July 15, 2020

University
of Pardubice
Faculty
of Chemical Technology

ORGANIZED BY

**Center of Materials and Nanotechnology
and Department of General and Inorganic
Chemistry**
