

## **HOW TO GET TO THE VENUE**

As the arrival times of participants are very different, there will be no collective transportation organized from Prague to Pardubice.

However, the matter is not complicated:

There is a regular bus connection between the Airport and Main Railway station in Prague, i.e. Airport Express, see:

<https://czech-transport.com/index.php?id=357>,

and following frequent connection Prague Main Station - Pardubice Main Station. You only have to choose the suitable one and buy the ticket at the Main Station. Be careful, there are 2 more transportation companies (RegioJet and Leo Express) besides the main one, i.e. the Czech Railways and you need to buy the ticket directly from the ticket office of the relevant company located at Prague Main Station.

You can also use <https://jizdnirady.idnes.cz/vlakyautobusy/spojeni/> and to buy the ticket on-line.

In Pardubice, please take a taxi Pardubice train station to your hotel. The conference site (namesti Cs. legii 565, Pardubice) is 10 minutes by walk from the Main train station, see the attached map, Venue, look for Pardubice hlavní nádraží (on the left from the Univerzita Pardubice-Fakulta elektrotechniky a informatiky).
